2023 Kannabe Winter Camp Ingredients List

1st day Dinner: Hamburger set meal

Product name	Hamburger	Product name	French fries	Product name	Spaghetti
Ingredients	Meat (beef (Australia), pork, chicken), vegetables (onion, ginger, garlic), sauteed onion, binder (breadcrumbs (contains milk ingredients, wheat, soy), milk protein, dried egg white (contains egg), starch), foods made primarily from milk or dairy products, lard, beef tallow, glace de bien, salt, dietary fiber, liquor, spices, vegetable oil/trehalose, modified starch, pH adjuster, seasoning (amino acids), caramel color, stabilizer (polysaccharide thickener), phosphate (sodium, potassium)	Ingredients	Potatoes, vegetable oil, glucose/sodium pyrophosphate, (contains wheat)	Ingredients	Strong wheat flour (domestically produced), durum wheat semolina
		Product name	ham	Product name	Vegetables, Fruits
		Ingredients	Pork loin (imported or domestic (less than 5%)), sugars (corn syrup, sugar), egg protein, vegetable protein, salt, milk protein, pork extract seasoning/seasoning (organic acid, etc.), phosphate (Na), thickening polysaccharide, sodium caseinate, antioxidant (vitamin C), coloring agent (sodium nitrite), cochineal coloring, spice extract, (contains egg, milk components, soybeans, pork)	Ingredients	Cabbage, tomato, broccoli, orange
Product name	Grape Jelly	Product name	Consommé soup	Product name	Consommé soup
Ingredients	Glucose fructose syrup (domestically produced), fruit juice (grape, apple), salt, gelling agent (polysaccharide thickener), acidulant, coloring (gardenia), flavoring	Ingredients	Salt (domestically produced), lactose, powdered soy sauce, vegetable powder, edible oils and fats, chicken extract powder, beef extract powder, yeast extract powder, spices/seasonings (amino acids, etc.), caramel coloring, (contains wheat, dairy products, beef, soybeans, and chicken)	Ingredients	Onion, carrot, wakame seaweed

1st day Dinner: Hamburger set meal-2

Product name	mayonnaise
Ingredients	Edible vegetable oils and fats (domestically produced), eggs, brewed vinegar, sugars (corn syrup, sugar), salt, spices, protein hydrolysates/seasonings (amino acids, etc.), spice extracts, (contains eggs, soybeans, and apples)

Product name	ketchup
Ingredients	Tomatoes (imported or domestic (less than 5%)), sugar, glucose fructose syrup, brewed vinegar, salt, onion, spices

Product name	sauce
Ingredients	Sugar, glucose fructose syrup (domestically produced), brewed vinegar, vegetables and fruits (onion, tomato, carrot, etc.), salt, amino acid liquid, spices/caramel color, seasonings (amino acids, etc.), spice extracts, (contains soybeans, wheat, apples)

2nd Day Breakfast: Japanese set meal ①

Product name	Meatballs
Ingredients	Chicken (domestic), binders (bread crumbs, starch, powdered vegetable protein), onion, lard, granular vegetable protein, sugar, salt/phosphate (Na), seasonings (amino acids), colorings (red yeast rice, lac, carotenoids), flavorings, sauce [sugars (glucose fructose liquid sugar, starch syrup, sugar), soy sauce, brewed vinegar, chicken extract seasoning, sesame oil, spices/thickeners (modified starch), colorings (caramel, turmeric), seasonings (amino acids, etc.), acidulant], frying oil (rapeseed oil), (contains dairy products, wheat, pork, chicken, soybeans, sesame)

Product name	Fried white fish
Ingredients	Blue whiting, coating (bread crumbs, wheat starch, flour, salt, pepper)/seasoning (amino acids), (contains wheat and soybeans)

Product name	ham
Ingredients	Pork loin (imported or domestic (less than 5%)), sugars (corn syrup, sugar), egg protein, vegetable protein, salt, milk protein, pork extract seasoning/seasoning (organic acid, etc.), phosphate (Na), thickening polysaccharide, sodium caseinate, antioxidant (vitamin C), coloring agent (sodium nitrite), cochineal coloring, spice extract, (contains egg, milk components, soybeans, pork)

Product name	Boiled hijiki
Ingredients	Hijiki, soybeans, glucose, carrots, starch syrup, soy sauce, salt, bonito extract/seasonings (amino acids, etc.), thickeners (modified starch, xanthan), sweeteners (stevia), (contains wheat and soybeans)

Product name	Vegetables, Fruits
Ingredients	Cabbage Orange

Product name	sauce
Ingredients	Sugar, glucose fructose syrup (domestically produced), brewed vinegar, vegetables and fruits (onion, tomato, carrot, etc.), salt, amino acid liquid, spices/caramel color, seasonings (amino acids, etc.), spice extracts, (contains soybeans, wheat, apples)

2nd Day Breakfast: Japanese set meal ①-2

Product name	Furikake (bonito flakes)
Ingredients	Seasoning granules (salt, sugar) (domestically produced), flakes (wheat flour, starch, salt, sugar, vegetable oil), seasoned bonito flakes powder, sesame, seaweed/seasonings (amino acids, etc.), caramel color, carotenoid color, antioxidant (vitamin E), acidulant, (contains wheat, sesame, soybeans)

Product name	yogurt
Ingredients	Dairy products (domestic or French or other), sugar, milk protein, coconut oil, gelatin/flavoring, sweetener (sucralose)

Product name	soy sauce
Ingredients	Amino acid liquid (domestically produced), salt, defatted soybeans, wheat, sugar/alcohol

Product name	miso soup
Ingredients (miso)	Soybeans (American or Canadian or other), rice, salt, bonito extract, kelp extract/alcohol, seasonings (amino acids, etc.), (contains soybeans)
Ingredients (Japanese style soup stock)	Salt (domestically produced), sugar added (glucose, sugar), flavoring ingredients (dried bonito powder, dried bonito powder, kelp powder)/seasonings (amino acids, etc.)

Product name	Miso soup
Ingredients (tofu)	Whole soybeans/tofu coagulant (magnesium chloride)
Ingredients (green onion)	Green onion

Product name	mayonnaise
Ingredients	Edible vegetable oils and fats (domestically produced), eggs, brewed vinegar, sugars (corn syrup, sugar), salt, spices, protein hydrolysates/seasonings (amino acids, etc.), spice extracts, (contains eggs, soybeans, and apples)

2nd Day Lunch: Rice ball bento

Product name	Seaweed rice ball	Product name	Yukari rice ball	Product name	Boiled eggs
Ingredients	Seaweed, salt, sugar, starch syrup, seasoning (amino acids)	Ingredients	Shiso, salt, glucose, plum vinegar, seasonings (amino acids, etc.), acidulant	Ingredients	Eggs, salt
Product name	Fried Chicken	Product name	Wiener	Product name	vegetables
Ingredients	Chicken, soy sauce, powdered vegetable protein, white wine, ginger, salt, sugar, starch, garlic, pepper, coating [wheat flour, starch, rice flour, powdered vegetable protein, sugars (sugar, glucose), salt, pepper], frying oil (soybean oil)/modified starch,	Ingredients	Pork (imported or domestic (less than 5%)), pork fat, sugars (corn syrup, sugar), salt, protein hydrolysate, spices/phosphates (Na), seasonings (amino acids, etc.), antioxidants (vitamin C), pH adjusters, colorants (sodium	Ingredients	broccoli

One bite jelly (One of either)					
Ingredients	【Apple】 Isomerized liquid sugar (made in Japan), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (polysaccharide thickener), acidulant, flavoring, sweetener (sorbitol), coloring (flavonoid, gardenia), (contains apple in	【Grape】 Isomerized liquid sugar (made in Japan), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (thickening polysaccharide), acidulant, coloring agent (anthocyanin), flavoring, sweetener (sorbitol), antioxidant (rutin), (contains apples)	【Peach】 Isomerized liquid sugar (made in Japan), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (polysaccharide thickener), acidulant, flavoring, sweetener (sorbitol), coloring (anthocyanin, flavonoid), (contains apples)	【Pineapple】 Isomerized liquid sugar (domestically produced), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (polysaccharide thickener), acidulant, flavoring, sweetener (sorbitol), coloring (flavonoid), (contains apples)	【Orange】 Isomerized liquid sugar (made in Japan), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (thickening polysaccharide), acidulant, flavoring, coloring (lac, flavonoid), sweetener (sorbitol), (contains apples)

2nd Day Dinner: Pork cutlet set meal

Product name	Pork cutlet
Ingredients	Pork loin (produced in the United States), coating (bread crumbs, starch, wheat flour, edible oil, dextrin, vegetable protein, soy flour, salt), powdered soy protein, sugar, salt/seasoning (amino acids), pH adjuster, thickener (modified starch, thickening polysaccharides), sodium polyphosphate, glycine, baking powder, emulsifier, flavoring, carotenoid pigment, (contains wheat, dairy products, soybeans, pork)

Product name	Potato salad
Ingredients	Potatoes (domestic) (non-genetically modified), emulsified liquid dressing, carrots, onions/seasonings (amino acids, etc.), thickeners (polysaccharide thickeners), spice extracts, carotene pigments, (contains eggs, dairy products, soybeans, and chicken)

Product name	Spaghetti
Ingredients	Strong wheat flour (domestically produced), durum wheat semolina

Product name	Orange Jelly
Ingredients	Glucose fructose syrup (domestically produced), mixed citrus juice (orange, unshu mandarin), apple juice, salt, gelling agent (polysaccharide thickener), acidulant, flavoring, carotene pigment

Product name	ham
Ingredients	Pork loin (imported or domestic (less than 5%)), sugars (corn syrup, sugar), egg protein, vegetable protein, salt, milk protein, pork extract seasoning/seasoning (organic acid, etc.), phosphate (Na), thickening polysaccharide, sodium caseinate, antioxidant (vitamin C), coloring agent (sodium nitrite), cochineal coloring, spice extract, (contains egg, milk components, soybeans, pork)

Product name	Vegetables, Fruits
Ingredients	Cabbage, tomato, broccoli, orange

2nd Day Dinner: Pork cutlet set meal-2

Product name	Pork soup
Ingredients (Miso)	Soybeans (American or Canadian or other), rice, salt, bonito extract, kelp extract/alcohol, seasonings (amino acids, etc.), (contains soybeans)
Ingredients (Japanese style soup stock)	Salt (domestically produced), sugar added (glucose, sugar), flavoring ingredients (dried bonito powder, dried bonito powder, kelp powder)/seasonings (amino acids, etc.)

Product name	Pork soup
Ingredients	Pork, radish, carrot, green onion

Product name	mayonnaise
Ingredients	Edible vegetable oils and fats (domestically produced), eggs, brewed vinegar, sugars (corn syrup, sugar), salt, spices, protein hydrolysates/seasonings (amino acids, etc.), spice extracts, (contains eggs, soybeans, and apples)

Product name	ketchup
Ingredients	Tomatoes (imported or domestic (less than 5%)), sugar, glucose fructose syrup, brewed vinegar, salt, onion, spices

Product name	sauce
Ingredients	Sugar, glucose fructose syrup (domestically produced), brewed vinegar, vegetables and fruits (onion, tomato, carrot, etc.), salt, amino acid liquid, spices/caramel color, seasonings (amino acids, etc.), spice extracts, (contains soybeans, wheat, apples)

3rd Day Breakfast: Japanese set meal ②

Product name	Grilled mackerel
Ingredients	Mackerel, salt

Product name	Rolled omelet
Ingredients	Liquid whole egg (chicken eggs (domestic)), soy milk, liquid egg white (domestic), cornstarch, sugar, salt, glutinous rice flour, fermented seasoning, dried bonito extract seasoning, brewed vinegar, soy sauce/thickening agent (modified starch), seasoning (amino acids), pH adjuster, crude seawater magnesium chloride, acidulant, (contains eggs, wheat, soybeans)

Product name	Kinpira burdock
Ingredients	Burdock (produced in China), carrots, soy sauce, sugar, fermented seasoning, vegetable oil, sesame, bonito seasoning extract, red pepper, agar/seasoning (amino acids, etc.), calcium lactate, antioxidant (VC), preservative (milt protein), acidulant, (contains wheat, soybeans, sesame, and salmon)

Product name	ham
Ingredients	Pork loin (imported or domestic (less than 5%)), sugars (corn syrup, sugar), egg protein, vegetable protein, salt, milk protein, pork extract seasoning/seasoning (organic acid, etc.), phosphate (Na), thickening polysaccharide, sodium caseinate, antioxidant (vitamin C), coloring agent (sodium nitrite), cochineal coloring, spice extract, (contains egg, milk components, soybeans, pork)

Product name	Vegetables, Fruits
Ingredients	Cabbage, banana

Product name	Seasoned seaweed
Ingredients	Dried seaweed (domestic), soy sauce (contains soybeans and wheat), sugar, kelp, dried shrimp, bonito stock, mirin, salt, honey, dextrin, chili pepper/seasoning (amino acids, etc.), sweetener (acesulfame K)

3rd Day Breakfast: Japanese set meal ②-2

Product name	yogurt
Ingredients	Dairy products (domestic or French or other), sugar, milk protein, coconut oil, gelatin/flavoring, sweetener (sucralose)

Product name	miso soup
Ingredients	Soybeans (American or Canadian or other), rice, salt, bonito extract, kelp extract/alcohol, seasonings (amino acids, etc.), (contains soybeans)
	Salt (domestically produced), sugar added (glucose, sugar), flavoring ingredients (dried bonito powder, dried bonito powder, kelp powder)/seasonings (amino acids, etc.)

Product name	Miso soup
Ingredients (rolled wheat gluten)	Wheat flour (domestically produced), wheat protein/antioxidant (vitamin E), (contains wheat)
Ingredients (wakame)	Wakame seaweed

Product name	mayonnaise
Ingredients	Edible vegetable oils and fats (domestically produced), eggs, brewed vinegar, sugars (corn syrup, sugar), salt, spices, protein hydrolysates/seasonings (amino acids, etc.), spice extracts, (contains eggs, soybeans, and apples)

Product name	soy sauce
Ingredients	Amino acid liquid (domestically produced), salt, defatted soybeans, wheat, sugar/alcohol

Product name	Greens
Ingredients	Greens, sesame

3rd Day Lunch: Beef bowl

Product name	Beef bowl seasoning
Ingredients	Beef (American), onion, soy sauce (contains wheat and soybeans), starch syrup, sake, sugar, konjac powder, fermented rice seasoning, liquid mixed seasoning, powder mixed seasoning/modified starch, thickener (modified starch), seasoning (amino acids, etc.), calcium hydroxide, caramel coloring, sweetener (licorice, stevia), acidulant

Product name	Clear Soup
Ingredients (soy sauce)	Amino acid liquid (domestically produced), salt, defatted soybeans, wheat, sugar/alcohol
Ingredients (Japanese style soup stock)	Salt (domestically produced), sugar added (glucose, sugar), flavoring ingredients (dried bonito powder, dried bonito powder, kelp powder)/seasonings (amino acids, etc.)

Product name	Soup ingredients
Ingredients (rolled wheat gluten)	Wheat flour (domestically produced), wheat protein/antioxidant (vitamin E), (contains wheat)
Ingredients (wakame)	Wakame seaweed

Product name	vegetables
Ingredients	Cabbage, tomato, sweet corn (sweet corn, salt)

Product name	mayonnaise
Ingredients	Edible vegetable oils and fats (domestically produced), eggs, brewed vinegar, sugars (corn syrup, sugar), salt, spices, protein hydrolysates/seasonings (amino acids, etc.), spice extracts, (contains eggs, soybeans, and apples)

Product name	Lactic acid bacteria drink
Ingredients	High fructose corn syrup, sugar, skim milk powder, glucose, acidulant, flavoring

3rd Day Dinner: croquette curry

Product name	Curry roux
Ingredients	Edible oils and fats (domestically produced) (palm oil, rapeseed oil), wheat flour, sugar, salt, starch, curry powder, potato flakes, pork powder, Chinese cabbage extract powder, sweet potato powder, spices, vegetable paste (soybean oil, rapeseed oil, onion, pumpkin, spinach, carrot, yam, molokheiya, defatted soybeans), mirepoix powder (dextrin, sugar, salt, onion extract, sauteed onion, carrot extract, celery, others), roasted cabbage powder, yeast extract seasoning/seasoning (amino acids, etc.), caramel coloring, acidulant, emulsifier, (contains wheat, soybean, chicken, pork, yam)

Product name	Curry ingredients
Ingredients	Beef, onion, potato, carrot

Product name	mandarin orange
Ingredients	mandarin orange extract

Product name	Fukujinzuke
Ingredients	Daikon radish, cucumber, ginger, shiso, sesame, eggplant, lotus root, pickling ingredients (sugars (glucose, sugar, starch syrup), salt, soy sauce)/sweeteners (sorbitol, stevia), seasonings (amino acids), acidulants, preservatives (potassium sorbate), stabilizers (CMC), colorings (yellow 4, red 102), (contains wheat, soybeans, sesame, etc.)

Product name	coleslaw
Ingredients	Cabbage, corn, ham Apple vinegar, grain vinegar, brewed vinegar, rice vinegar, sugars (granulated sugar, galactooligosaccharides, isomaltooligosaccharides), salt, kelp extract, bonito stock, (contains wheat and apples)

3rd Day Dinner: croquette curry-2

Product name	croquette
Ingredients	Vegetables (potatoes (domestic), onions), sugar, granular vegetable protein, breadcrumbs, beef, salt, spices, batter (breadcrumbs, wheat flour, starch, vegetable oil, salt, skimmed soy flour, skimmed milk powder, powdered egg yolk)/modified starch, thickening polysaccharides, seasonings (amino acids), carotenoid pigments, (contains wheat, eggs, milk ingredients, beef, soybeans)

Product name	ham
Ingredients	Pork loin (imported or domestic (less than 5%)), sugars (starch syrup, sugar), egg protein, vegetable protein, salt, milk protein, pork extract seasoning/seasoning (organic acid, etc.), phosphate (Na), thickening polysaccharide, sodium caseinate, antioxidant (vitamin C), coloring agent (sodium nitrite), cochineal coloring, spice extract, (contains egg, milk components, soybeans, pork)
	mayonnaise
	Edible vegetable oils and fats (domestically produced), eggs, brewed vinegar, sugars (corn syrup, sugar), salt, spices, protein hydrolysates/seasonings (amino acids, etc.), spice extracts, (contains eggs, soybeans, and apples)

4th Day Breakfast: Western food

Product name	Butter Roll
Ingredients	Wheat flour (domestically produced), sugar, margarine with butter, baker's yeast, margarine, salt, butter, wheat protein, brewed vinegar, eggs, foods with milk as the main ingredient, processed oils and fats/flavorings, antioxidants (vitamin E), coloring agents (carotene), (contains eggs, wheat, milk ingredients, soybeans)

Product name	Wiener
Ingredients	Pork (imported or domestic (less than 5%)), pork fat, sugars (corn syrup, sugar), salt, protein hydrolysate, spices/phosphates (Na), seasonings (amino acids, etc.), antioxidants (vitamin C), pH adjusters, colorants (sodium nitrite), (contains pork and gelatin)

Product name	Scrambled eggs
Ingredients	Eggs, salt

Product name	ketchup
Ingredients	Tomatoes (imported or domestic (less than 5%)), sugar, glucose fructose syrup, brewed vinegar, salt, onion, spices

Product name	Tuna and Vermicelli Salad
Ingredients (tuna)	Bonito, salt, vegetable extract
Ingredients (vermicelli)	Mung bean starch, pea starch, potato starch/antioxidant (sulfite)
Ingredients (vegetables)	Cucumber, Carrot

4th Day Breakfast: Western food-2

Product name	Strawberry jam and margarine
Ingredients	Strawberry jam: Sugars (corn syrup (domestically produced), sugar), strawberries/gelling agent (pectin), acidulant
	Margarine: Edible vegetable oil, edible refined oil, salt, buttermilk powder/emulsifier, flavoring, antioxidant (vitamin E), carotenoid pigment, (contains dairy and soybean ingredients)

Product name	Apple juice
Ingredients	100% apple juice

Product name	mayonnaise
Ingredients	Edible vegetable oils and fats (domestically produced), eggs, brewed vinegar, sugars (corn syrup, sugar), salt, spices, protein hydrolysates/seasonings (amino acids, etc.), spice extracts, (contains eggs, soybeans, and apples)

Product name	Corn soup
Ingredients	Sweet corn (Japan, America, or New Zealand), wheat flour, dextrin, creaming powder, sugar, starch, salt, lactose, edible processed oils and fats, cheese, yeast extract, spices, yeast extract seasoning/seasoning (amino acids, etc.), thickener (guar gum), flavoring, (contains wheat, dairy products, beef, and soybeans)

4th Day: Rice lunch

Product name	Seasoning for cooked rice
Ingredients	Vegetables (burdock, carrots, bamboo shoots), soy sauce (domestically produced), konjac, chicken, edible vegetable oil, fried tofu, protein hydrolysate, salt, mirin, sugar, dried bonito extract, brewed seasoning, dried sardine extract, dried shiitake mushroom, chicken extract, oyster extract, kelp extract/seasoning (amino acids, etc.), (contains wheat, soybeans, and chicken)

Product name	Rolled omelet
Ingredients	Liquid whole egg (chicken eggs (domestic)), soy milk, liquid egg white (domestic), cornstarch, sugar, salt, glutinous rice flour, fermented seasoning, dried bonito extract seasoning, brewed vinegar, soy sauce/thickening agent (modified starch), seasoning (amino acids), pH adjuster, crude seawater magnesium chloride, acidulant, (contains eggs, wheat, soybeans)

Product name	Mini Hamburger
Ingredients	Chicken (domestic), onion, granular vegetable protein, binder (breadcrumbs, powdered vegetable protein), soy sauce, lard, sugar, tomato paste, salt, spices/phosphate (sodium), seasoning (amino acids), caramel coloring, (contains wheat, dairy products, soybeans, chicken, pork)

Product name	Wiener
Ingredients	Pork (imported or domestic (less than 5%)), pork fat, sugars (corn syrup, sugar), salt, protein hydrolysate, spices/phosphates (Na), seasonings (amino acids, etc.), antioxidants (vitamin C), pH adjusters, colorants (sodium nitrite), (contains pork and gelatin)

Product name	vegetables
Ingredients	broccoli

One bite jelly (One of either)

Ingredients	【Apple】 Isomerized liquid sugar (made in Japan), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (polysaccharide thickener), acidulant, flavoring, sweetener (sorbitol), coloring (flavonoid, gardenia), (contains apple in	【Grape】 Isomerized liquid sugar (made in Japan), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (thickening polysaccharide), acidulant, coloring agent (anthocyanin), flavoring, sweetener (sorbitol), antioxidant (rutin), (contains apples)	【Peach】 Isomerized liquid sugar (made in Japan), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (polysaccharide thickener), acidulant, flavoring, sweetener (sorbitol), coloring (anthocyanin, flavonoid), (contains apples)	【Pineapple】 Isomerized liquid sugar (domestically produced), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (polysaccharide thickener), acidulant, flavoring, sweetener (sorbitol), coloring (flavonoid), (contains apples)	【Orange】 Isomerized liquid sugar (made in Japan), concentrated apple juice, sugar, wine-type fermented seasoning/gelling agent (thickening polysaccharide), acidulant, flavoring, coloring (lac, flavonoid), sweetener (sorbitol), (contains apples)
